

YOU ARE INVITED TO THE

FOSS California Open House

at the Lawrence Hall of Science

Thursday, February 1, 2007 • Noon to 5:00 (lunch provided)

RSVP online at www.fossweb.com/CA/openhouse Deadline January 23rd

The FOSS CA K–5 Program has been officially adopted by the CA State Board of Education. FOSS CA is a complete curriculum that is easy to use and provides comprehensive resources, support, and guidance for California teachers, and deep conceptual understanding of science for California students. Here's a chance to talk with the FOSS CA developers and knowledgeable FOSS implementers about how the program will prepare students to be proficient in science.

This Open House is designed for district administrators, school principals, lead teachers, science and curriculum coordinators, science committee members, school board members, and PTA members.

On display will be all of the teacher guides, student resource books, student equipment kits, and FOSS CA technology.

You can select a teacher guide and student book to keep, sign up for a staff presentation or demonstration lesson with students at your school, and network with science educators in the greater Bay Area.

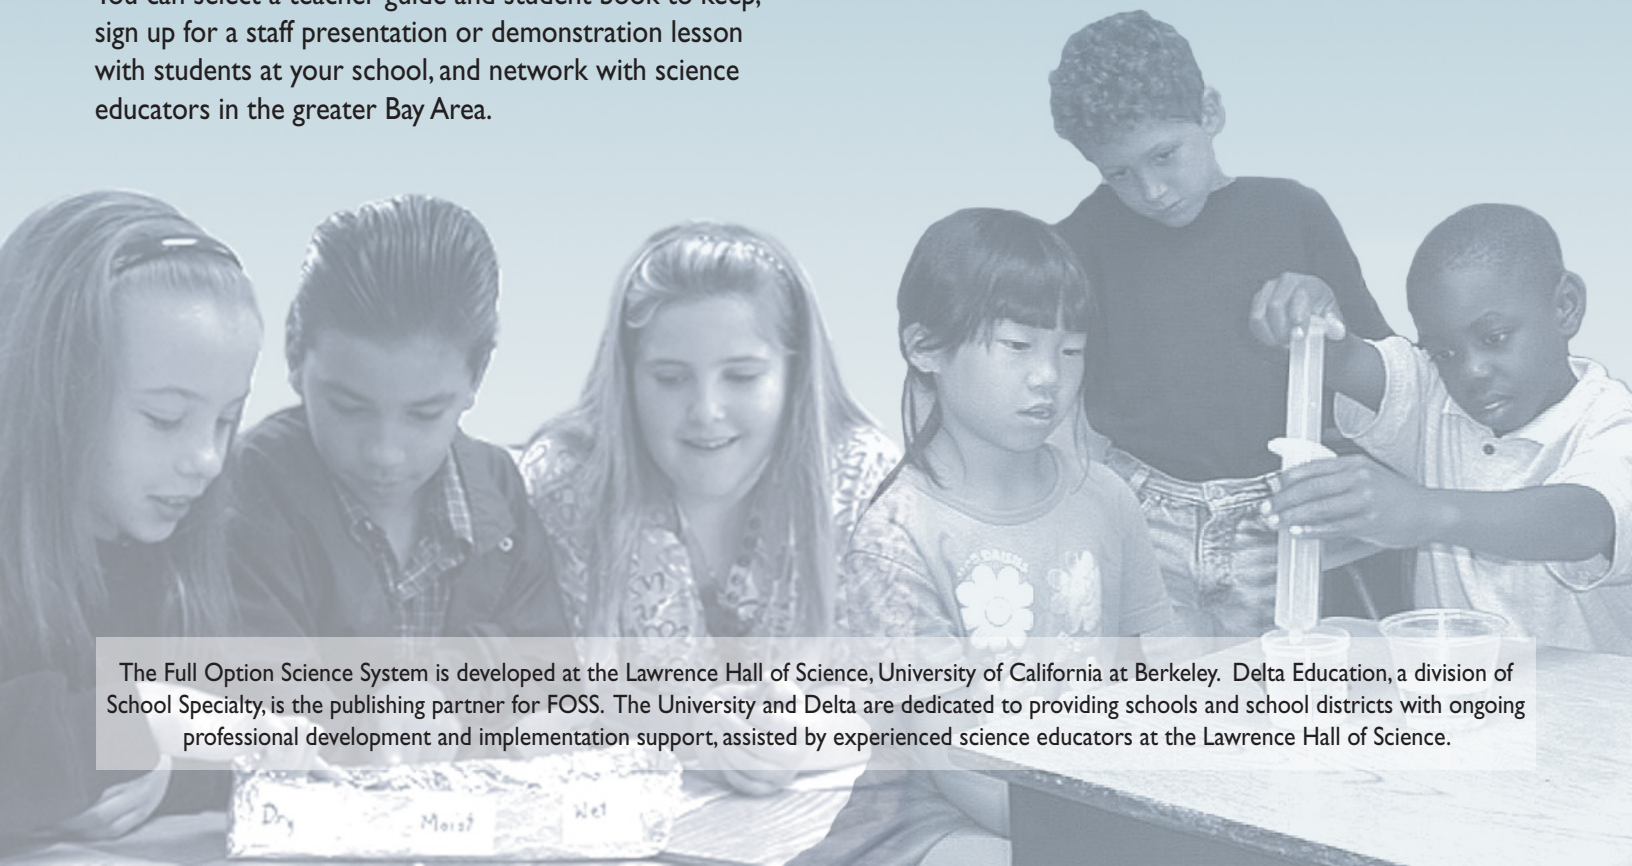

SCHEDULE OF EVENTS

12:00–1:15	Lunch (Pick up a box lunch)
1:30–2:15	Introduction to FOSS CA
2:15–4:00	Review the FOSS materials, ask questions, interact with FOSS staff and experienced FOSS implementers
4:00–5:00	Continue to talk with FOSS staff or preview the new LHS exhibit— <i>Circus</i>

There is no charge, but you must RSVP for the event online at www.fossweb.com/CA/openhouse

Please pass this invitation on to a colleague.

Teachers see it in their students' eyes, and hear it whispered around the room. The wonderful message is "We're doing science now!"

The Full Option Science System is developed at the Lawrence Hall of Science, University of California at Berkeley. Delta Education, a division of School Specialty, is the publishing partner for FOSS. The University and Delta are dedicated to providing schools and school districts with ongoing professional development and implementation support, assisted by experienced science educators at the Lawrence Hall of Science.

DIRECTIONS TO LHS

FROM CONCORD, WALNUT CREEK AREA

Take Hwy. 24 West (680 to 24 West).

Take the Fish Ranch Road exit and turn right onto Fish Ranch Road. Go uphill until the first stop sign. Turn right at the stop sign (Grizzly Peak Boulevard) and go approximately 3 miles until the next stop sign.

Turn left at the stop sign (Centennial Drive) and go downhill approximately 1/4 mile. LHS is on the right. Parking lots are on both the left and right.

FROM 80/580/880 (SAN FRANCISCO, FREMONT, MARIN, RICHMOND, VALLEJO)

Exit at University Avenue in Berkeley from 80/580. Go about 2 miles to campus (the street ends) and turn left at the stop light onto Oxford Street. Turn right onto Hearst Avenue at a stop light. Go uphill and turn right at a stop light onto Gayley Road. Turn left onto Stadium Rimway at the stop sign (just past the Greek Theater). Turn left at the next stop sign onto Centennial Drive. Go uphill about 1 mile. LHS is on the left just below the top of the hill. Parking lots are on both the left and right.

FROM OAKLAND VIA GRIZZLY PEAK BOULEVARD

Take Claremont Avenue (behind the Claremont Hotel at the intersection of Clarmont Avenue and Ashby Avenue) uphill to Grizzly Peak Blvd. Turn left at the stop sign (Grizzly Peak Boulevard) and go approximately 3 miles until the next stop sign. Turn left at the stop sign (Centennial Drive) and go downhill approximately 1/4 mile. LHS is on the right. Parking lots are on both the left and right.

FROM I3 (WARREN FREEWAY); FROM HAYWARD, SAN LEANDRO, PIEDMONT, OAKLAND

Exit "Hwy. 13 to Berkeley," which becomes Tunnel Road and then Ashby Avenue. Turn right onto College Avenue at a stop light. Turn right onto Dwight Way at a stop light. Turn left onto Prospect Street (two blocks above the stop light at Piedmont Avenue). Turn right onto Stadium Rimway (around the back of the stadium). Turn right onto Centennial Drive at the stop sign. Go uphill about 1 mile. LHS is on the left just below the top of the hill. Parking lots are on both the left and right.

FROM 880 NORTH (NIMITZ FREEWAY); FROM FREMONT, ALAMEDA

880 to 980, 980 to Hwy. 24 (towards Walnut Creek) Exit at Claremont Avenue and turn left. Turn left onto College Avenue at a stop light. Turn right onto Dwight Way at a stop light. Turn left onto Prospect Street (two blocks above the stop light at Piedmont Avenue). Turn right onto Stadium Rimway (around the back of the stadium). Turn right onto Centennial Drive at the stop sign. Go uphill about 1 mile. LHS is on the left just below the top of the hill. Parking lots are on both the left and right.

FROM I01 (BAYSHORE FREEWAY); PENINSULA: SAN MATEO, PALO ALTO

Take San Mateo Bridge (92) or Dunbarton Bridge (84) to the East Bay. Take 880 north towards Sacramento. Exit at University Avenue in Berkeley from 80. Go about 2 miles to campus (the street ends) and turn left at the stop light onto Oxford Street. Turn right onto Hearst Avenue at a stop light. Go uphill and turn right at a stop light onto Gayley Road. Be forewarned that Gayley Road is being repaved in July–August and there may be traffic delays. Turn left onto Stadium Rimway at the stop sign (just past the Greek Theater). Turn left at the next stop sign onto Centennial Drive. Go uphill about 1 mile. LHS is on the left just below the top of the hill. Parking lots are on both the left and right.
