Verse 1

I can be a floor, I can be a door, I can be a ta-ble or chair

I can be a big stick, I can be a tooth-pick, you can find me every - where

Uh-huh that's right you can find me every - where

Verse 2

I can be rough,
I can be tough,
I can be hammered or cut.
I can give you splinters,
Keep you warm in winters,
Replant me or you'll use me up.
Uh-huh. That's right.
Replant me or you'll use me up.
(Repeat chorus)
