

HOME/SCHOOL CONNECTION

Investigation 2: Water and Land Snails

Students have had several experiences closely observing animals' behaviors at the science center in the last few weeks. Play a game of animal “charades” with your child at home. Each person takes a turn at imitating the behavior of any animal he or she chooses. The rest of the family guesses what the animal is. If hints are required, guessers may only ask questions that can be answered by simple yes or no answers.
