Investigation 2: Brassica Seeds

Dear Family,

In class, we are observing special fast-growing brassica plants. The family of brassica plants includes many plants that we enjoy at our table and see in the market.

Next time you go shopping with your child, please take this checklist and a pencil with you. Ask your child to check off any of the following brassica plants that he or she can find.

- | | |
|---|---|
| <input type="checkbox"/> bok choy | <input type="checkbox"/> green cabbage |
| <input type="checkbox"/> broccoli | <input type="checkbox"/> kale |
| <input type="checkbox"/> Brussels sprouts | <input type="checkbox"/> kohlrabi |
| <input type="checkbox"/> cauliflower | <input type="checkbox"/> mustard greens |
| <input type="checkbox"/> chard | <input type="checkbox"/> red cabbage |
| <input type="checkbox"/> collard greens | <input type="checkbox"/> turnips |
