

INV. 4 ACTIVITY—MAP THE NEIGHBORHOOD

Focus Question: What will my map of the neighborhood show?

Suggested procedure:

If safe go for a walk in your immediate neighborhood.

Map a map.

Draw your home and what is on each side of your home.

Create a key for trees, flowers, grass, water sources, buildings, houses and more.

Share your map with someone in your household.

Discuss these things

- What is man-made what is human made?
- Are there any human made structures made out of sand, or other rocks of any size?
