Investigation 3: The Force of Magnetism

Find out how magnets are used around the home. Some ways might be to hold kitchen cabinets closed, to keep a refrigerator door shut, or to stick things to the refrigerator door. Talk with your family about the magnets.

Can you think of another way to use magnets around the house?

Can you invent a magnet game?

Talk over some ideas with your family and try out some games, if you can.

Draw a picture of your invention to share with the class, and write a paragraph explaining what it does.
